Re: DT 08-074, Freedom Ring Communications, LLC  
Petition for Waiver of NeuStar's Denial for One One-Thousand Block

Dear Ms. Wirth:

Freedom Ring Communications, LLC (Freedom Ring) has petitioned the New Hampshire Public Utilities Commission (Commission) to grant a waiver of NeuStar's decision to deny Freedom Ring's request for one new One-Thousand Block required for a customer in Dover, New Hampshire. According to Freedom Ring, its customer is expanding and requires one thousand numbers for immediate use.

The Commission Staff has reviewed the petition and recommended the waiver be granted. The Commission has found good cause exists, in this instance, to grant Freedom Ring's petition for a waiver and requests that the Pooling Administrator release the Dover block requested by Freedom Ring.

Please acknowledge receipt of this notice along with the completion date of the block assignments.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
