Re: Petition for Approval of Power Purchase and REC Option Agreements between
Public Service Company of New Hampshire and Lempster Wind, L.L.C.
Docket No. DE 08-077

Dear Ms. Howland:

During the hearing of February 5, 2009, references were made to certain confidential terms of the agreements between Public Service Company of New Hampshire and Lempster Wind, LLC. At page 51 of the Transcript, the Chairman suggested that the parties confer and decide which passages ought to be made confidential. Upon communication with the court reporter, Mr. Patenaude, PSNH understands that the entire transcript has been confidential up to this time, and the Commission wishes to designate the correct limited passages as confidential.

PSNH has conferred with Attorneys Hatfield and Amidon. We have agreed to the following passages contain information which should remain confidential.

Page 50 line, 23 through page 51, line 2.
Page 51 line, 16 through page 52, line 3.

Very truly yours,

Gerald M. Eaton
