APPEAL OF FREEDOM PARTNERS, LLC
SUPREME COURT DOCKET NO. 2009-0521

Dear Clerk:

I am responding to PSNH's letter to the Court on September 14, 2009.

The purported dissolution of Freedom Partners, LLC on August 31, 2009, without notice to me or others, appears to be associated with the resolution of another recent case at the Supreme Court, *Freedom Partners, LLC v. Tony M. Brown and David Garner*, Case No. 2008-0715. The notice of dissolution, in my opinion, is contrary to the settlement agreement reached in that proceeding.

Freedom Partners' participation in underlying hearing at the Public Utilities Commission commenced On June 23, 2008. Our participation was voluntarily confined to important renewable energy issues pertaining to the implementation of RSA 362-F:9. We perhaps could have continued our Appeal to its resolution in this proceeding pursuant to RSA 304-C:56 II (a), particularly if we had challenged the notice of dissolution. However, I currently have another matter before the PUC which may have presented a conflict for me.

For these reasons, I filed a Motion to Withdraw Appeal with this Court on September 15.

I have sent a copy of this letter to all parties in this proceeding.

Thank you.

Sincerely,
