RE: DW 08-095, Warner Village Water District  
Petition for Authority to Discontinue Water Service

Dear Ms. Howland:

In response to your letter dated October 14, 2009, we are enclosing the information requested:

1. Paperwork provided by the well driller to the State of New Hampshire Water Well Board;
2. Precinct map showing the boundaries of the area served by water and sewer.

The enclosed map shows the shaded area as the boundary of the Warner Village Water District. The 4 properties in question were never within the Precinct boundaries; they were, however, designated by PUC as being within the "franchise boundaries." These four lots are shown in color in the North Village Road area. We would ask that PUC remove them from the "franchise" area of the WVWD.

As future properties tie into our system, they would then be added to the Water District. We will keep you informed of such additions.

Please contact us if you should require additional information.

Sincerely,

COMMISSIONERS:

Peter E. Newman, Chairman  
Lynn C. Perkins  
Peter Savlen

Handwritten signatures of the three commissioners: Peter E. Newman, Lynn C. Perkins, and Peter Savlen.
