Re: DE 08-103; DE 11-250: Public Service Company of New Hampshire (PSNH)

Dear Ms. Howland:

I enclose for filing in the above-captioned dockets an original and six copies of Public Service Company of New Hampshire's June 28, 2012 Progress Report concerning the Clean Air Project's legislatively mandated installation of a Wet Flue Gas Desulfurization System at Merrimack Station. This is the final update given that the Clean Air Project is essentially complete.

Thank you for your assistance with this matter.

Very truly yours,

Sarah B. Knowlton
