Re: CORE Energy Efficiency Programs
Docket No. DE 08-120

Dear Secretary Howland:

Enclosed please find the original and six copies of Public Service Company of New Hampshire's ("PSNH") and Unitil Energy System, Inc.'s ("Unitil") response to Commission Order *Nisi* No. 24,974 with respect to the Proposed Fuel Blind Home Energy Solutions Pilot Program. Specifically the Commission ordered PSNH and Unitil file revised budgets and an evaluation plan for the Home Energy Solutions ("HES") Pilot program consistent with the terms of this Order *Nisi* by June 30, 2009. Please note that since Unitil had already planned to include 97 homes in this pilot, and the Commission limited the number of participants to 100 Unitil customers, Unitil did not revise its budgets.

PSNH and Unitil respectfully reserve their rights to request a performance incentive for the non-electric measures provided in a revised pilot program or permanent fuel neutral energy efficiency program. In accordance with the Commission's directive, the Order *Nisi* was published in the NH Union Leader on June 8, 2009. An affidavit of publication was filed with the Commission on June 12, 2009.

Very truly yours,

Gerald M Eaton
Senior Counsel
