Re: Conditional Approval Confirmation of Final Proposal 2008-219

Dear Commission Members:

At its meeting on April 17, 2009, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2008-219 of the Public Utilities Commission (Commission) containing Puc 402.49 and Puc 431.01 relative to telecommunication. The Committee's approval was conditioned on amending the rules as specified in the Commission's conditional approval request of April 15, 2009, with the understanding that the amendment to Puc 402.49 in the request was already made in the Final Proposal.

On May 4, 2009, our office received your written response indicating how Final Proposal 2008-219 was amended in accordance with the conditional approval. We have reviewed the explanation pursuant to RSA 541-A:13, V(a), and have determined that the Final Proposal has been amended in accordance with the conditional approval and RSA 541-A:13, V(a). Therefore, you may now adopt and file the rules in Final Proposal 2008-219 as amended.

If you have any questions concerning the provisions in RSA 541-A relative to conditional approvals, objections, responses, or adoptions, please call Scott Eaton at 271-3680.

Very truly yours,
