Dear Debra A. Howland,
I am writing to you since I don't
know if I can be at the hearing
when where it is exactly.
My first concern is about our
home at 159 Parkside Road.
New London, NH 03257. map number
72 BLOCK # 2. P.S. Line 316/148
is shared with the town of
New London Sewer Dept. At
this present time P.S. H doesn't
have a definitive direction
if a second set of POLES will
be needed in our field. If
Seg TEL needed to run a pole
this could possibly mean three
POLES.

Considering all this it would
put a deep hardship on the
home my wife and my self
have created.
