Re: DE 09-035, Public Service Company of New Hampshire
Delivery Service Rate Proceeding

Dear Secretary Howard:

Enclosed please find an original and six copies of Public Service Company of New Hampshire's ("PSNH") response to Order No. 25,037 "Order on Motions for Confidential Treatment and Waiver of Filing Requirements" (Order). The attachments to this letter contain the information required under the Order to complete the responses to the Standard Filing Requirements of NH Code Admin. Rule §1604.01(a)(14) (SFR 14) and Rule §1604.01(a)(15) (SFR 15). There are redacted copies for the public files and protected unredacted copies which are already subject to confidential treatment under the Order.

The compensation information mirrors the response that will be provided to Staff Set No. 4, Q-STAFF-013. That response will also include compensation information for calendar year 2006 which is still being prepared. As noted in the footnote No. 5, this information does not include the change in value of the executives' pension value and the change in value of the deferred compensation plans. The SEC regulations require computation of these changes in values to be reported as compensation; however, these values were not paid out to the executives as compensation in 2007 and 2008. Earlier versions of SFR 14 and the response to OCA-T-013(b) include the changes in values of pensions and deferred compensation described above.

The common stock ownership information for SFR 15 now contain the personal holdings of the Vice Presidents however, not all of the Vice Presidents responded to our requests by the filing deadline of today. One of the Vice Presidents has retired. PSNH will update this information when their responses are complete.

Very truly yours,

Gerald M. Eaton
Senior Counsel
