Re: Public Service Company of New Hampshire Distribution Service Rate Case
Docket No. DE 09-035

Dear Ms. Howland:

In the Settlement Agreement on Permanent Distribution Service Rates (Settlement Agreement) approved by the Commission in Docket No. DE 09-035, PSNH agreed to file a Certification of Exogenous Events no later than March 31 of each year during the term of the Settlement Agreement.

As noted in the attached report, PSNH is certifying that no exogenous events occurred during 2011 that would trigger a rate adjustment under the Settlement Agreement. For informational purposes, the attached report also includes an estimate of the step increase that will occur on July 1, 2012 pursuant to the Settlement Agreement.

Very truly yours,
