Ex Parte Communications with Chairman Getz

Dear Ms. Howland:

Attached to this letter are copies of emails sent directly to Chairman Getz regarding the status and merits of this docket. Chairman Getz has not responded to these inquiries because they concern a pending proceeding and ex parte communications are prohibited by RSA 363:12, III and RSA 541-A:36. I ask that you place these emails in the docket for this case in order to make disclosure of the communications to interested parties.

Very truly yours,

Dave----

I too have sent a letter in support of this project. Via this email I've asked tom Getz, Chair of the NH PUC to provide us all with a status report of the matter.

Councilor,

Good morning to you.

Attached please find a letter I recently sent to the PUC requesting quick action on a docket item. As yet the document is not posted on the website. I spoke with a representative of the PUC via telephone earlier this week and she indicated that not all correspondence gets posted. I would ask that perhaps you could look into this item for the City of Berlin. As you can see from the content of the letter, the Mayor and Council endorse this project, and, according to today's Berlin Daily Sun, so does candidate for Mayor Paul Grenier. For the betterment of the City of Berlin, I respectfully request that you look into this matter for the City. As always, thank you for all that you do for the North Country.

Sincerely,

David Bertrand
Mayor, City of Berlin
