As you will see from this email, the company filed its renewal application one year early. The check has been returned, and the company will file again next year. Please close DM 09-074.

Henry:

Thanks for taking the time to speak with me this morning. Pursuant to our discussions, thank you for agreeing to send CNE's renewal check back and revoking CNE's bi-annual update filing. CNE will note that his filing is an even year filing, and will file a timely update next year.

To confirm, please send the check to my attention at the following address:

Constellation NewEnergy, Inc.
111 Market Place, Suite 500
Baltimore, MD 21202

Again, thanks for your help with this process, it is greatly appreciated.

Kind regards,
Matt
