RE: Extension of Franchise Area in Goffstown, NH
Lynchville Park/Danis Park Area

Dear Ms. Howland:

The Manchester Water Works has been asked to extend its franchise limits in the Town of Goffstown, N.H. Enclosed are eight (8) copies of a petition to extend the franchise area in Goffstown, N.H. and the waiver approval form. As you requested, a diskette containing the information has been included for your use.

For your information, the funding for the water extension under this request is being provided, in part, under the American Recovery and Reinvestment Act and, therefore, timing for the Commission's consideration is important to meeting the federal deadlines.

Please feel free to contact me if you have any questions.

Sincerely,

Thomas M. Bowen, P.E.
Director and Chief Engineer
