Re: Transmission Cost Adjustment Mechanism
Docket No. DE 09-XXX

Dear Ms. Howland:

Enclosed please find an original and six copies of a Petition for Approval of New TCAM Rate. Also please find seven copies of the testimony and attachments of Robert A. Baumann containing a sample calculation of the average rate to be applied on and after August 1, 2009. PSNH currently estimates that there will be an increase in the average rate from the current 0.935 cents per kilowatt-hour to 1.195 cents per kilowatt-hour. PSNH will later file testimony from Stephen R. Hall on the calculation of the actual charges for each class.

PSNH requests that the Commission open a proceeding and schedule a hearing so that a final determination of a rate may be made by July 24, 2009. It would be preferable to have a week in which to test the new rate. The Staff has reserved the date of July 2, 2009 on the Commission's calendar when the Energy Service and Stranded Cost Recovery Charge hearings will also be held.

Copies have been provided to the persons on the attached service list pursuant to Puc§203.02 and Puc §203.11 .

Very truly yours,

Gerald M. Eaton
Senior Counsel
