Re: DM 09-127, Renewal of South Jersey Energy Company's CEPS license

Dear Ms. Howland:

Based on feedback received from your office, South Jersey Energy Company dba Halifax American Energy Company's (SJE) submits the following supplemental information for its Competitive Electric Power Supplier (CEPS) license.

Attached is a copy of the new Parental Guaranty to New Hampshire Public Utility Commission with an expiration date of July 31, 2016, consistent with the new regulations which allow for a CEPS license to be approved for a five year period. The original guaranty was provided to Henry Bergeron in the Commission's office.

Thank you for your attention to this matter.

Sincerely,

Stacey M. Barnes
