RE: Docket No. DE 09-137

Dear Director Howland:

On behalf of Unitil Energy Systems, Inc., enclosed is the supplemental information concerning the program costs of the Time-Of-Use ("TOU") Pilot and the Commercial and Industrial Critical Peak Pricing Pilot Program (C&I CPP Pilot) approved by the Commission in Docket DE 09-137. On September 7, 2011, the Company made its initial filing concerning program costs of the TOU and C&I CPP Pilot programs. A portion of these costs was subsequently approved for inclusion in the Default Service Charge rate component effective November 1, 2011.

The information contained herein includes Exhibit 1 Summary of Costs Incurred, consisting of Schedule 1 Summary, Schedule 2 Residential TOU Cost Summary and Schedule 3 C&I CPP Cost Summary, and Exhibit 2 Copies of Invoices. As noted herein, the additional costs incurred subsequent to July 2011 total \$46,140 for the TOU Pilot and \$44,665 for the C&I CPP Pilot. Representatives of the Company are available to review this material with the Commission Staff or interested parties.

Please do not hesitate to contact me directly if you have any questions concerning this submittal.

Sincerely,

Gary Epler
Attorney for Unitil Energy Systems, Inc.
