September 10, 2009

Dear Ms. Howland,

Please find our application for the NH Natural Gas Aggregation Services license from Fidelity Energy Group, LLC.

We believe it to be complete with the exception that the NH Secretary of State has not sent our authorization to do business in New Hampshire yet. The Secretary of State's office said it is pending shortly.

Please accept this application and we will follow with the documents as soon as we get them.

Sincerely,

David Griffin
