Subject: DG 09-168: Reconciliation for the 2009-2010 Winter Period Cost of Gas

Dear Ms. Howland:

On May 21, 2010 New Hampshire Gas Corporation (“NHGC”) filed its reconciliation for the recovery of gas cost –over/under collection for the 2009-2010 Winter period in accordance with the Commission’s Order No. 25,031. Subsequently, NHGC discovered an error with respect to its April 2010 data as initially reported. Enclosed please find a revised reconciliation for the 2009-2010 Winter period that reflects adjusted April sendout which reduces the cost of gas for April, and ultimately increases the final over-collection for the entire 2009-2010 Winter period.

Should further information be required, please contact this office.
