**Re: DE 09-225 – Granite State Electric Company d/b/a National Grid  
GreenUp Service Recovery Adjustment Factor**

Dear Ms. Howland:

On August 25, 2011, in compliance with Order No. 25,101, I filed with this Commission an original and six copies of a report providing the following information for the first twelve months of Granite State Electric Company d/b/a National Grid’s GreenUp program: participation by customer class; whether any renewable energy certificates purchased by GreenUp suppliers were ineligible under RSA 362-F:6, III; and all associated incremental administrative, marketing and promotional costs.

The “Re:” line of the cover letter submitting that filing erroneously stated the docket number as DE 11-146. Please file the materials enclosed with the August 25, 2011 cover letter in Docket No. 09-225 and disregard the letter itself.

Thank you for your assistance, and I apologize for any confusion. Please do not hesitate to call if you have any questions.

Very truly yours,

Patrick H. Taylor
