Re: DT 09-263, Fairpoint Communications - NNE
Special Contract with Nashua Community College for ISDN-PRI Service

Dear Mr. Shea:

On December 11, 2009, Fairpoint Communications - NNE (Fairpoint) filed a special contract to provide Nashua Community College with ISDN-PRI service for a period of 36 months. In support of the filing, Fairpoint submitted records and information, including contract terms and conditions, for which it requested confidential treatment pursuant to RSA 378:43.

Staff has reviewed the documentation filed in support of the special contract and recommended that it be allowed to go into effect. According to Staff, the contract rate meets the price floor requirements of RSA 378:18-b, II.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed special contract. Accordingly, the proposed contract between Fairpoint and Nashua Community College is effective on or after the date of this letter.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
