Re: DT 09-275, FairPoint Communications – NNE Tariff Revision
Enhanced Flexgrow Service

Dear Mr. Shea:

On December 22, 2009, Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (FairPoint) submitted a tariff filing to introduce service options for business customers that subscribe to Enhanced FlexGrow Service in its NHPUC Tariff No. 83. Qualifying business FlexGrow customers may also subscribe to FairPoint's Unlimited Local and Toll Usage for Business plan for up to twelve channels per T1 line.

Staff has examined the filing and recommends that the tariff go into effect by operation of law. The Commission accepted Staff's recommendation.

For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions are effective as filed.

Tariff pages should be filed referencing Docket No. DT 09-275 and reflecting the effective date of January 21, 2010.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra Howland
Executive Director
