**Re: DG 10-017, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH - Rate Case**

Dear Ms. Howland:

On behalf of EnergyNorth Natural Gas, Inc. d/b/a National Grid NH ("National Grid NH" or the "Company"), I enclose for filing in the above-captioned docket an original and five copies of supplemental testimony of Frank Lombardo relating to certain expenses that National Grid NH has decided to remove from its proposed revenue requirement.

I am also enclosing in a separate envelope an original and five copies of a confidential version of Attachment FL-S1 to Mr. Lombardo's testimony. The Company has a good faith basis for seeking confidential treatment of Attachment FL-S1 and, pursuant to N.H. Code Admin. Rule Puc 203.08, intends to submit a motion for protective order prior to the commencement of the hearing in this docket.

Mr. Lombardo's supplemental testimony should be inserted in Binder 1A, Tab 3 of the Company's full rate case filing, behind Mr. Lombardo's initial direct testimony, and separated by the enclosed Tab A. I have enclosed an updated Index of the Company's rate case filing for your reference.

Please note that counsel for the Commission staff, the Office of Consumer Advocate and Pamela Locke have all consented to the filing of the enclosed supplemental testimony, but

reserve their right to pursue additional discovery regarding the enclosed information as appropriate. The Company intends to coordinate with the Commission staff and parties regarding any such additional discovery.

Please let me know if the Commission has any questions at all regarding the enclosed materials.

Sincerely,

A handwritten signature in blue ink, appearing to read 'St. Camerino', with a stylized initial 'S' and a trailing flourish.
