**Re: DE 10-020 – Granite State Electric Company d/b/a National Grid  
Default Service Request For Proposals For The Period May 1, 2010 To July  
31, 2010 For The Large Customer Group And May 1, 2010 To October 31,  
2010 For The Small Customer Group**

Dear Ms. Howland:

In follow up to the March 17 hearing in the above-captioned docket, I enclose seven copies of Granite State Electric Company d/b/a National Grid's Exhibits 5, 8 and 9. Please note that the Company is submitting both a confidential and redacted version of Exhibit 8. Exhibit 8 contains information on the Company's loss factor. Because final settlement has not occurred from October 2009 to the present, the Company is requesting confidential treatment of the version of Exhibit 8 that reflects data for October 2009 and November 2009 (which periods will be settled as of April 14, 2010 and May 12, 2010, respectively).

I also enclose a revised Exhibit 7 which contains more limited redactions to Figure 3 than the original Exhibit 7 presented at the hearing. These redactions now reflect that only data after October 2009 is confidential.

Thank you for your assistance. Please do not hesitate to call if you have any questions.

Very truly yours,

Sarah B. Knowlton
