**Re: DT 10-025 FairPoint Communications, Inc.
Reorganization**

Dear Ms. Howland:

I am writing on behalf of Comcast Phone of New Hampshire, Inc., an intervenor in the above-captioned proceeding. Comcast has propounded data requests upon FairPoint and has received answers to some of those questions that Comcast considers to be unresponsive. Comcast has approached FairPoint in a good faith attempt to resolve this discovery dispute informally. FairPoint has indicated that it will be supplementing answers to the data requests on or about April 28, 2010. Depending on those responses, it may be unnecessary for Comcast to file a motion to compel. However, in the event that Comcast believes that the updated responses from FairPoint are unresponsive, Comcast hereby reserves its right to file a motion to compel, and FairPoint has agreed that it will not object to such a motion on the ground that it is untimely.

Please let me know if you have any questions concerning the foregoing. Thank you.

Very truly yours,

Susan S. Geiger
