Re: DT 10-025 FairPoint Communications, Inc., et al. – Reorganization

Dear Ms. Howland:

Enclosed for filing are two (2) copies of the Plan Supplement to Debtor's Plan of Reorganization which has been filed by FairPoint Communications, Inc., et al., in the United States Bankruptcy Court for the Southern District of New York.

A compact disk containing the Plan Supplement is also enclosed.

Given the voluminous size of this document and the availability of electronic versions, FairPoint respectfully requests a waiver of the requirement to file seven copies of this document pursuant to Puc 203.02(a)(1). FairPoint respectfully submits that such a waiver would serve the interest and not disrupt the orderly and efficient resolution of the matters before the Commission in this docket. The amount of copying is onerous, and the submission of the document electronically serves the purpose of Rule Puc 203.02. If the Commission determines that the additional paper copies are needed, please let me know and we will furnish them immediately.

Very truly yours,

Frederick J. Coolbroth
