Re: DT 10-025 FairPoint Communications, Inc., et al. – Reorganization

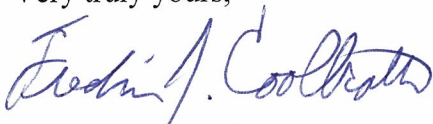

Dear Ms. Howland:

Enclosed for filing are two (2) copies of the Debtors' Modified Second Amended Joint Plan of Reorganization under Chapter 11 of the Bankruptcy Code (clean version with Exhibit H), which was filed with the Bankruptcy Court after the close of business yesterday.

An electronic copy of this document is also enclosed on a compact disk.

Given the voluminous size of this document and the availability of an electronic version, FairPoint respectfully requests a waiver of the requirement to file seven copies of this document pursuant to Puc 203.02(a)(1). FairPoint respectfully submits that such a waiver would serve the interest and not disrupt the orderly and efficient resolution of the matters before the Commission in this docket. The amount of copying is onerous, and the submission of the document electronically serves the purpose of Rule Puc 203.02. If the Commission determines that the additional paper copies are needed, please let me know and we will furnish them immediately.

Very truly yours,

Frederick J. Coolbroth
