Re: DG 10-041, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH  
Integrated Resource Plan  
Extension of Time

To the Parties:

On July 22, 2011, Staff filed a request for additional time to file in the above-referenced matter, a progress report on whether a separate docket should be opened to address the issue of the company maintaining resources in excess of its design day demand and when the company should file an updated resource mix analysis.

The Commission has determined that the extension will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, the deadline for filing of the report is extended to July 29, 2011.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
