Staff Testimony

Dear Ms. Howland:

On Friday, September 24, 2010, Staff filed the testimony of George R. McCluskey. The testimony was provided to the service list. Since its filing and distribution, Staff discovered a number of formatting errors such as two footnote 8's, a lack of a table of contents, and attachments that did not match the reference number and were not correctly numbered themselves. Pursuant to N.H. Code Admin. Rule Puc 203.10 (c), please accept the attached version of the testimony of George R. McCluskey as a replacement of the version filed on Friday. This replacement version is being filed to correct the typographical errors contained in the testimony filed on Friday. I alerted the parties to this docket on Sunday that Staff would be making this filing. In that email, I stated that there would be no changes to the text as a result of our edits. I have an exception to note. On page five, lines 12-20, Staff corrected the sentences to be plural rather than reference singular.

Thank you in advance for your assistance with this filing.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. B. Thunberg".
