

**THE STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

DG 10-050

ORDER OF NOTICE

On March 15, 2010, Northern Utilities, Inc. (Northern) filed with the Commission its Cost of Gas (COG) rates for the period May 1, 2010 through October 31, 2010 (2010 Summer Season). Included in the filing were revised tariff pages and supporting materials for the changed rates. The petition and subsequent docket filings, other than information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission website at <http://www.puc.nh.gov/Regulatory/Docket/2010/10-050.htm>.

The proposed residential COG rate is \$0.6981 per therm, a \$0.0817 per therm decrease from the weighted residential COG rate of \$0.7798 per therm for last summer. The estimated impact of the proposed firm sales COG and current LDAC rate on a typical residential heating customer's summer bill is a decrease of approximately \$25, or 6%.

The proposed commercial/industrial low winter use COG is \$0.6571 per therm and the proposed commercial/industrial high winter use COG is \$0.7296 per therm. The rate decrease for the commercial/industrial customers over the comparable 2009 Summer Season rates is commensurate with the residential COG rate decrease.

The filing raises, inter alia, issues related to: RSA 378 relative to the justness and reasonableness of rates, forecasting of sales, supplier prices and transportation prices, purchasing decisions related to the current and past summer supplies and capacity, cost allocations between the New Hampshire and Maine divisions, the causes and treatment of any over and under

recoveries, the reconciliation of prior period costs and revenues, and rate impacts. Each party has the right to have an attorney represent them at their own expense.

Based upon the foregoing, it is hereby

ORDERED, that a hearing be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on April 13, 2010 at 10:00 a.m.; and it is

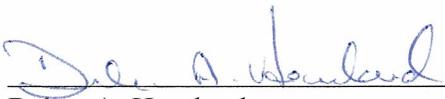

FURTHER ORDERED, that Northern, Staff of the Commission and any intervenors hold a technical session at the Commission on April 5, 2010 at 9:00 a.m.; and it is

FURTHER ORDERED, that pursuant to N.H. Admin. Rules Puc 203.12, Northern shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice no later than March 23, 2010, in a newspaper with general circulation in those portions of the state in which operations are conducted, publication to be documented by affidavit filed with the Commission on or before April 13, 2010; and it is

FURTHER ORDERED, that pursuant to N.H. Admin. Rules Puc 203.17, any party seeking to intervene in the proceeding shall submit to the Commission seven copies of a Petition to Intervene with copies sent to Northern and the Office of the Consumer Advocate on or before April 8, 2010, such Petition stating the facts demonstrating how its rights, duties, privileges, immunities or other substantial interest may be affected by the proceeding, as required by N.H. Admin. Rule Puc 203.17 and RSA 541-A:32,I(b); and it is

FURTHER ORDERED, that any party objecting to a Petition to Intervene make said Objection on or before April 13, 2010.

By order of the Public Utilities Commission of New Hampshire this seventeenth of
March, 2010.
