RE: Intra-LATA Toll Provider / Certified Toll Provider Certification

Dear Mr. Simone:

The Application filed by IntelPeer to provide CTP service in New Hampshire has been approved, as the accompanying certificate attests. IntelPeer's registration number is IXC-04-01-10.

As IntelPeer conducts business in New Hampshire, the Commission expects the company to provide the highest level of customer service. The Commission requires yearly updates of the company's progress in which you will provide by filing NH Puc Form CTP-3 by March 31<sup>st</sup> each year. Upon attaining its first customer, IntelPeer must file with the Telecommunications Division NH Puc Form CTP-12, *Initiation of Operations*. Both the CTP-3 and CTP-12 forms are available at our web site: [www.puc.nh.gov](http://www.puc.nh.gov). The Commission also requires notification from IntelPeer of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

Please refer to IXC-04-01-10 in any future correspondence. If you or IntelPeer have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Ladam".
