**Re: *Public Service Company of New Hampshire
RSA 366:3 Affiliate Contract Filing***

Dear Secretary Howland:

Pursuant to RSA 366:3, Public Service Company of New Hampshire ("PSNH") hereby files a contract with an affiliate for the furnishing of construction services. The contract, between PSNH and E. S. Boulos Company, was awarded following a formal competitive RFP process.

The accompanying contract contains confidential, commercial, and financial information as defined in RSA 91-A:5, IV; i.e., specific pricing details resulting from a competitively bid RFP process, plant operational schedule information, and personal personnel information. Hence, PSNH is making this filing subject to the attached Motion for Confidential Treatment. PSNH is supplying the Commission with a redacted version of the contract with the confidential information removed, and with copies of the confidential material clearly identified in a separate envelope. Please note that contract Appendix I, comprised of plant drawings and technical specifications for the work, is not being supplied. Also, items captioned "Omitted Intentionally" have not been redacted; such items were never included in the contract.

A copy of this filing including the redacted version of the contract is being provided to the Office of Consumer Advocate.

Very truly yours
