FairPoint Communications–NNE Petition for Authority to
Disconnect Global NAP's, Inc.

On Thursday, September 2, 2010, I telephoned Harry Malone, Esq. representing FairPoint Communications-NNE in this docket and Joel Davidow, Esq. representing Global NAPs, Inc. in this docket. During our telephone conversation, Attorney Malone indicated that his client had no objection to the Commission closing this docket.

During our telephone conversation, Attorney Davidow indicated that he did not believe his client had any objection to the Commission closing this docket, but asked that he have until close of business on the following day, September 3, 2010, to confirm that position with his client. Attorney Davidow said that if I did not hear from him I could assume that his client had no objection. I have not received any further calls from Attorney Davidow and therefore conclude that Global NAPs does not object to the Commission's closing this docket.
