Re: Docket No. DE 10-160
Public Service Company of New Hampshire
Investigation of Customer Migration Impact--Procedural Schedule and Hearing

Dear Ms. Howland:

On November 10, 2010, Public Service Company of New Hampshire (PSNH), Staff and Intervenors in the above-captioned docket met in technical session. At the technical session, we agreed that the hearing scheduled for November 30, 2010 should begin at 9:00 a.m. instead of 10:00 a.m. and we respectfully request the Commission approve that change to the procedural schedule.

In addition, we agreed to the following order for witness panels at the hearing.

1. PSNH,
2. Office of Consumer Advocate,
3. TransCanada Power Marketing Ltd. and TransCanada Hydro Northeast Inc.,
4. New England Power Generators Association and
5. Constellation Energy Commodities Group, Inc. and Constellation NewEnergy, Inc. (together "Constellation") and the Retail Energy Supply Association (RESA) (one witness for both Constellation and RESA).

PSNH requested that it be allowed to present rebuttal after the Intervenors witnesses but the parties and Staff did not agree with that proposal. Finally, the parties and Staff concur that it is appropriate to file briefs following the hearing to address legal issues related to the various alternatives proposed by the parties in this docket. We agreed that briefs should be due two weeks following the release of the transcript of the hearing. We request that the procedural schedule be amended to reflect the schedule for filing legal briefs.

Thank you for your attention to this request. I am available at 271-6616 if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Suzanne G. Amidon".
