RE: NH PUC Docket No. DT 10-170, Teljet Longhaul of New Hampshire, LLC  
Certification as a Competitive Local Exchange Carrier (CLEC)

Dear Ms. Lavigne:

The application filed by Teljet Longhaul of New Hampshire, LLC (Teljet) to provide CLEC service in New Hampshire has been approved, as the accompanying certificate attests. Teljet is authorized to provide services only within the FairPoint Communications service territory in New Hampshire. Teljet's registration number is CL-06-001-10.

As Teljet conducts business in New Hampshire, the Commission expects the company to provide the highest level of customer service. The Commission requires yearly updates of the company's progress which you will provide by filing NH Puc Form CLEC-3 by March 31<sup>st</sup> each year. Upon attaining its first retail customer, Teljet must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. Both the CLEC-3 and CLEC-12 forms are available at our web site: [www.puc.nh.gov](http://www.puc.nh.gov). The Commission also requires notification from Teljet of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

Teljet has not filed a proof of surety bond, and is therefore not authorized to collect customer deposits or billing in advance. The services that Teljet has listed in its application do not include local voice service. Teljet should report any local voice service offerings in New Hampshire to the Commission before requesting any telephone number blocks.

Please refer to CL-06-001-10 and Docket Number DT 10-170 in any future correspondence. If you or Teljet have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,

Jennifer Ducharme

Utility Analyst, Telecommunications
