Dear Ms. Howland:

Pursuant to the order of notice in the above-captioned docket, following the pre-hearing conference on September 2, 2010, Commission Staff and other participants engaged in a technical session. The participants developed the following proposed procedural schedule for the remainder of the docket for the Commission's consideration and approval.

File Stipulation of Agreed Facts	9/30/10
Testimony of All Parties Staff	10/22/10
Discovery Issued	11/5/10

In addition, pursuant to a request of the Commission, Staff is attempting to ascertain the nature and extent of operations conducted by the CLECs identified in the Commission's order of notice in the territories of particular ILECs in New Hampshire. Staff has received information from some, but not all, of the CLECs identified in the

order of notice. When that information becomes available, Staff will file a report to the Commission with the relevant information on all of the identified CLECs.

Please do not hesitate to contact me with any questions or concerns in this docket.

Sincerely,

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke extending to the right.
