Modification to Procedural Schedule

Staff and the Parties met in a technical session today and discussed the need to modify the existing approved procedural schedule. Staff and the Parties believe that given the volume of discovery exchanged that additional time for parties to draft testimony would promote the orderly conduct of this proceeding. Therefore, Staff and the Parties request the procedural schedule be modified as follows:

All Parties Testimony	October 13, 2010	October 15, 2010
Data Request on Testimony	October 19, 2010	October 21, 2010

Staff and the Parties request no other changes to the procedural schedule.

Also, on September 27, 1010, the Commission withheld granting intervention status requested by Housing Finance Authority and the Department of Environmental Services in order to allow parties time to object. Staff does not object to the intervention requests.

Thank you in advance for the Commission's consideration of this request to modify the procedural schedule.

Sincerely,

Marcia A. B. Thunberg
