Re: Docket No. DE 10-188, 2nd Quarter 2012 Energy Efficiency CORE Report

Dear Ms. Howland:

Enclosed for filing with the Commission is one copy of the 2nd Quarter 2012 CORE Energy Efficiency Report containing results for all the electric and natural gas utilities. A copy of this report was made available electronically to the Commission and all parties on August 20, 2012.

On January 9th, 2012, PSNH filed a request for waiver of the requirement in NH Code Admin. Rule Puc 203.02(a)(1) to provide seven hard copies so that only one copy of the quarterly Energy Efficiency Reports could be filed.

Please let us know if you need any more hard copies of this filing or if there are any questions concerning this filing.

Very truly yours,

Robert A. Bersak
Associate General Counsel
