Re: DT 10-211, North American Numbering Plan Administrator  
Requesting Approval of a Relief Plan for the 603 Numbering Plan  
Reclamation of Codes

Dear Ms. Sprague:

On April 4, 2011, the Commission issued Order No. 25,210 directing the North American Numbering Plan Administrator (NANPA) to reclaim 44 NXX codes abandoned by Global NAPs, on or about November 4, 2011. On July 29, 2011, Staff filed a memorandum in which it recommended the Commission delay reclamation of the 584 code for an additional 12 months.

The Commission has determined that delaying reclamation of the 584 exchange for 12 months will not disrupt the orderly reclamation of numbers necessary to conserve the 603 area code. Accordingly, the Commission directs NANPA to delay reclamation of the 584 code until November 4, 2012, and to reclaim all other codes specified in Order No. 25,210, on or about November 4, 2011.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".

Debra Howland  
Executive Director
