Re: DE 10-226, Disclosure of Electric Service Energy Sources and Environmental Characteristics
Modification to Procedural Schedule

To the Parties:

On October 26, 2010, the Commission issued a procedural schedule in the above referenced proceeding. In that schedule, November 22, 2010 was set aside for a technical session commencing at 1:00 p.m. On November 4, 2010, Staff and the parties filed a request to change the time of the technical session to 9:00 a.m.

The Commission has determined that moving back the time for the technical session will promote the orderly conduct of the proceeding. Accordingly, the November 22, 2010 technical session will commence at 9:00 a.m.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
