Re: DE 10-226, Disclosure of Electric Service Energy Sources and Environmental
Characteristics
Extension of Time

To the Parties:

On February 25, 2011, Staff filed a request for an extension of time to file the report and recommendation in the above-referenced proceeding. The request states that Staff and the parties are still reviewing the final report and needs additional time to complete the review.

The Commission has determined that granting the extension will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, the deadline for filing the report and recommendation is extended to March 8, 2011.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland" followed by a flourish.

Debra A. Howland
