**BEFORE THE**  
**NEW HAMPSHIRE PUBLIC UTILITIES COMMISSION**  
**Docket No. DE 10-226**

**DISCLOSURE OF ELECTRIC SERVICE ENERGY SOURCES AND  
ENVIRONMENTAL CHARACTERISTICS**

**Petition to Intervene on Behalf of TransCanada**

TransCanada Power Marketing Ltd. (“TransCanada”) respectfully petitions the New Hampshire Public Utilities Commission (“Commission”) for leave to intervene as a full party in the above-captioned proceeding under Rule Puc 203.17 and RSA 541-A:32. In support of this petition, TransCanada represents that:

1. On September 28, 2010 the Commission issued an Order of Notice in the above-captioned docket opening a proceeding to address issues related to the RSA 378:49 requirement that it approve a standard format and methodology for electricity providers to use in disclosing electric service energy sources and environmental characteristics to existing and prospective customers.

2. In that Order of Notice the Commission set a prehearing conference for October 15, 2010 and established a deadline of October 12, 2010 for the submission of petitions to intervene.

3. TransCanada Power Marketing Ltd. is a competitive supplier of electricity registered to do business in New Hampshire. TransCanada’s rights, duties, privileges or substantial interests as a competitive supplier of electricity in New Hampshire and as a producer of electricity that is sold into the New England ISO market may be affected by

the proceeding given the scope of the issues identified in the Order of Notice.

TransCanada believes it must intervene in this proceeding to protect these rights.

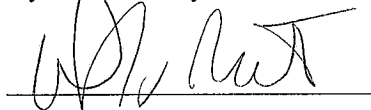

4. Due to an oversight on its part, TransCanada is submitting this petition a day late. Nonetheless, TransCanada believes that the granting of this petition for intervention would be in the interest of justice and would not impair the orderly and prompt conduct of the proceedings as the prehearing conference has not yet taken place and no schedule has been established for the proceeding.

WHEREFORE, TransCanada respectfully requests that the Commission grant it full intervenor status in the proceeding or grant such other relief as the Commission deems just and equitable.

Respectfully submitted,

TransCanada Power Marketing Ltd.
