RE: DW 10-306, Lakeland Management Company, Inc. (Order No. 25,198)

Dear Director Howland:

I am in receipt of your letter dated May 13, 2011, regarding the granting of the request to suspend the procedural schedule in the above referenced matter until June 10, 2011.

Within your letter you stated that, " (Lakeland) does not have proper accounting records which are needed before further discovery can occur". In an attempt to possibly help, I have enclosed schedules which show my own, Water & Sewer Readings and Charges for 2009 and 2010; and Water and Sewer Payments for 2009 and 2010.

I would be willing to prepare the same type of schedule for each customer in the Lakeland Management Company Inc.'s district, with the permission of all parties. I do not know what period of time is under consideration, but I have a degree in accounting and this type of information gathering is not difficult. If information is not available for all customers, or all periods; then information that does exist can be extrapolated over any given time period.

Thank you for your time.

Sincerely,

*Shirley M. Wood*
