Re: DW 10-306 Lakeland Management Company, Inc.  
Permanent Rate Proceeding  
Request to Extend Suspension of Procedural Schedule and  
Change in Intervenor Status

Dear Ms. Howland:

The procedural schedule in this docket was suspended on May 13, 2011. Staff and the parties reported that they would file a revised procedural schedule no later than today. The reason for the suspension was to give the company time to create a general ledger so that Staff and the parties could conduct a proper review of the company's books and records in this proceeding. Staff and the parties have yet to receive this general ledger and thus are unable to propose a revised procedural schedule today. Staff requests an extension of an additional two weeks from today and proposes that Staff and the parties file a proposed procedural schedule or update as of the status of the general ledger no later than Jun 27, 2011. The Company concurs with this request.

Staff has spoken with Intervenor George Blaisdell and he no longer wishes to speak on behalf of Briarcrest Estates. He asked that Staff inform the Commission of his wish to no longer be an intervenor; rather, Mr. Blaisdell wishes to continue monitoring the docket as a non-intervenor.

Thank you in advance with your assistance with this request.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. B. Thunberg".
