Re: DE 10-322 Public Service Company of New Hampshire – Petition for License to Construct and Maintain Electric Lines, Static Wire and Fiber Optic Cable Over and Across the Merrimack River in the Towns of Merrimack and Litchfield, New Hampshire

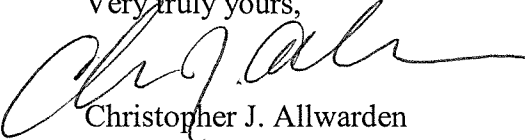

Dear Ms. Howland:

PSNH filed its original Petition, with attachments, in the above docket on December 3, 2010. As a result of review of the contents of PSNH's filing with Commission Staff, PSNH has determined it is necessary to file a revised Exhibit 2 to correct the plan view depiction of the existing PSNH facilities crossing the Merrimack River at this location. Accordingly, enclosed for filing herewith please find an original and six (6) copies of Revised Exhibit 2 plan and profile drawing entitled "380 LINE (345 KV) CROSSING BETWEEN STR. #90 & #91 MERRIMACK RIVER CROSSING, MERRIMACK & LITCHFIELD, NEW HAMPSHIRE". Please substitute the enclosed Revised Exhibit 2 for the original Exhibit 2 filed on December 3. We apologize for any inconvenience caused in this matter.

Should there be any technical questions pertaining to this filing, they may be directed to PSNH Project Siting & Permitting Specialist Laura V. Games, who may be reached at 634-2906.

Thank you for your attention to this matter.

Very truly yours,
