Re: DM-12-082

Dear Ms. Howland:

I am writing this letter on behalf of Hannaford Energy, LLC to ask that the Commission terminate Hannaford Energy, LLC's license as a Competitive Electric Energy Provider, effective as soon as practicable and prior to July 1, 2014.

Hannaford Energy, LLC is a wholly owned subsidiary of Hannaford Bros. Co. that was established for the purpose of facilitating electricity transactions for Hannaford Bros. Co. through the wholesale market administered by ISO-NE. Hannaford Energy, LLC is a NEPOOL Participant and a licensed electricity provider in New Hampshire. Its sole customer at retail in New Hampshire has been Hannaford Bros. Co., its sole owner, which operates a number of retail grocery stores in the service territories of Unitil, PSNH, Granite State and the NHEC. Hannaford Energy, LLC has never provided retail electricity service to any other customer except its sole owner, Hannaford Bros. Co.

In late 2013, Hannaford Energy, LLC ceased to provide service to accounts of Hannaford Bros. Co. behind Unitil, PSNH and Liberty. By the end of the first quarter in 2014, Hannaford Energy, LLC ceased to provide electricity to its remaining customer accounts behind the NHEC and no longer provides retail electric supply to any account in New Hampshire. Further, it has no plans to do so.

Thank you for your consideration of this matter. If you have any questions or wish to discuss this further, please give me a call at (207) 772-6190.

Sincerely,
