Executive Director  
New Hampshire Public Utilities Commission  
21 South Fruit Street, Suite 10

Dear Ms. Debra Howland;

Please allow me to introduce myself; my name is Tad Dziemian, owner/Principal of White Columns Office Solutions of New England LLC. We broker the supply of electricity and natural gas along with phone systems and bandwidth services. We are requesting the state of New Hampshire to consider and accept our application to obtain a license to broker the supply of natural gas to end users. This will complement our electric supply activities where we currently hold a New Hampshire license to aggregate electricity.

As a matter of compliance, the documents included with the letter are the application along with a DVD that contains the application, two copies of the application and payment for filing of \$250. There has not been or will be any enrollments until the license has been awarded.

Sincerely,

A handwritten signature in black ink, appearing to read "Tad Dziemian", written over a horizontal line.

Re: DM 10-086, Notification of White Columns Office Solutions of New England's Intent to  
Provide Electric Aggregation Service

Dear Mr. Dzienian:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received White Columns Office Solutions of New England (White Columns)'s notice of intent to provide electric aggregation service in the State of New Hampshire, pursuant to New Hampshire Administrative Rules Puc 2003.02. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.02. Based on Staff's recommendation and the Commission's review, the Commission approves White Columns's application to provide electric aggregation service in New Hampshire.

Please note the following provision of Puc 2003.02 (f): "[E]ach aggregator shall re-file with the commission an up-to-date written notice of intent to provide service as an aggregator every 2 years on or before its original notice anniversary date. White Columns's original complete notice anniversary date is May 5, 2010 and therefore it is required to refile an up-to-date written notice on or before **May 5, 2012** if it continues to offer and provide electric aggregation service. In addition, White Columns is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators.

If you have any questions regarding these provisions, please contact the Commission.  
Thank you for your cooperation in this matter.

Sincerely,

  
Debra A. Howland  
Executive Director
