Re: **Pope Energy** Registration as Aggregator of Natural Gas

Dear Mr. Igbal:

Please find our application to be an Aggregator of natural gas as provided under Puc 3006.01

- 1) **Pope Energy** is a division of Pope Industries, Inc. and is a New Hampshire corporation, registered agent at 1052 Ocean Blvd, Hampton NH 03842, with its principal office at 42 8<sup>th</sup> Street, Suite 4413, Charlestown, MA 02129. Pope Industries, Inc. has as divisions of its corporation, Energy Technologies Group and Pope Energy.

The purpose of **Pope Energy** is to reduce the cost of energy for our clients through innovation and competitive market forces; and the purpose of Energy Technologies Group is to reduce the kilowatts and BTU's consumed by our clients by providing and installing energy conservation and renewable energy technologies.

**Pope Energy** is the name desired be the operating entity that will be identified as the Aggregator of natural gas and is a registered trade name with the NH Secretary of State. Energy Technologies Group is a registered trademark in New Hampshire and Massachusetts. Pope Energy Technologies Group is a registered trade name in New Hampshire. Both **Pope Energy** and Energy Technologies Group are registered as foreign corporation business in Boston, MA.
