Re: DM 11-056, Taylor Consulting and Contracting
Renewal Registration as a Natural Gas Aggregator

Dear Ms. Taylor:

On March 22, 2011, Taylor Consulting and Contracting filed with the Commission an application for renewal registration as a natural gas aggregator, together with the renewal application fee of \$125.00.

As for your inquiry to the steps necessary to serve residential customers, please note that under current tariff provisions, unbundled delivery services are not available to residential natural gas customers served by regulated gas distribution companies in New Hampshire. Therefore, N.H. Code Admin. Rules Puc 3000 do not apply to residential natural gas customers.

The Commission has reviewed the renewal application for registration as a natural gas aggregator and has determined that it meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.05. The Commission will approve the registration with an effective date of May 5, 2011, which coincides with the expiration of the existing registration for Taylor Consulting and Contracting. The renewal registration will expire at the end of business on May 4, 2016. The corporate web address for Taylor Consulting and Contracting will be added to the contact information posted on the NH PUC website.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of Taylor Consulting and Contracting, on or before March 5, 2016. Registration instructions and a checklist of requirements to properly file a renewal registration application are

located on the Commission website at <http://www.puc.nh.gov/Gas-Steam/CNGS-Aggregator%20registration%20application%20instructions%20and%20checklist.pdf> .

All registered Natural Gas Aggregators in the State of New Hampshire are subject to specific requirements spelled out in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules can be found on our website at (<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>). If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
