Re: Public Service Company of New Hampshire
Reconciliation of Energy Service Cost and Stranded Charge Costs for 2010
Docket No. DE 11-194 *094*

Dear Secretary Howland:

Enclosed please find the original and six copies of Public Service Company of New Hampshire's ("PSNH") Motion for Protective Order Re: Fuel Supply Contracts. In Staff Data Request NSTF-01, Q-STAFF 32, the Staff requested copies of all fuel supply contracts applicable to generation during calendar year 2010. As stated in the Motion, PSNH considers this information to be confidential financial information.

The attachments to the response are thirteen separate documents: eight coal supply contracts, two natural gas supply contract documents and three distillate fuel oil contracts. PSNH has included those documents on the enclosed electronic disk rather than supply seven copies of thirteen contracts. For the sake of saving paper, PSNH requests a waiver of the requirement of NH Code Admin. Rule § 203.02(a)(1) to provide seven copies. A copy of the response and this Motion are being supplied to the Office of Consumer Advocate and shall remain confidential until ruled on by the Commission pursuant to Puc §203.08 (c).

Very truly yours,

Gerald M. Eaton
Senior Counsel
