**Re: DE 11-168; Low-Income Electric Assistance Program  
Amended 2011-2012 Program Year Budget and Sales Forecast**

Dear Ms. Howland:

On behalf of Granite State Electric Company d/b/a National Grid, I enclose for filing an amended Low-Income Electric Assistance Program (EAP) Budget and Sales Forecast for the October 1, 2011 - September 30, 2012 program year.

On July 28, 2011, the Company filed its 2011-2012 program year EAP budget. The Company recently discovered that this budget does not include a line item for the Company's IT Related Costs in the amount of \$850 on Page 3, although this information was provided on Page 1 of the budget. The Company hereby submits an amended budget that includes the IT Related Costs line item on Page 3, which is the only change made from the original budget.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Sincerely,

Jinjue Pak

Enclosure
